

Welcome to

PDF Reader!

You have a powerful tool to help you study and work better. PDF Reader will help you organize your important documents, books, and manage your reading progress as easily as candy.

Here are **instructions for downloading books and documents** in PDF, Word, Excel, and other formats:

1. On your Android phone or tablet, open the Chrome app 
2. Go to the site where you want to download a file.
3. Touch and hold what you want to download, then tap Download link or Download image. On some video and audio files, tap Download 

After Google Chrome finishes downloading the file, you can open the PDF Reader application and read and manage your files and documents you just downloaded. Formats that the app supports include: PDF, Word, Excel, epub, pub, docx, doc, ppt, pptx, xlsx, xls, csv, json, txt.

Now, you can **open your ebook download sites in your browser**, download them weekly and read them daily. We have some suggested free ebook download sites for you in the appendix.

Wish you happy and useful hours of reading and working.
